

## Johann ZÜBLIN

### **Deputy Head of Issue Management and Sustainability, FEDERATION of MIGROS COOPERATIVES**

During 13 years Johann Züblin was active an expert for the Swiss Development Agency and the World Bank in Africa and Latin America. In 1988 he joined Migros Switzerland as member of the team in charge of the programme for integrated production within the primary production.

In 1998 he joined the quality section of Migros and took over the coordination of the food safety and agriculture programmes within the marketing department.

From May 2005 to mid-2010 Johann took on the role of Head of the section standards and social compliance responsible for the different standards and schemes such as food safety, primary production and social compliance. This includes the implementation of Globalgap, the GFSI standards and the social standard BSCI. Mid 2010 Johann took on the position of Deputy Head of Issue Management and Sustainability.

Johann Züblin represents Migros at the GSCP Executive Board level and is also member of the board of directors of GlobalG.A.P.
